E. CHRISTOPHER JOHNSON, JR.

Mr. Johnson was formerly vice president and general counsel for General Motors North America. In this position, he was responsible for managing the delivery of all legal services that impacted the GM North America Region and its hundreds of attorneys, support staff, and outside law firms. Prior to this appointment, Johnson was assistant general counsel for global policy and planning, and he served as corporate law and transactions practice area manager. He was also a former attorney search consultant and an associate attorney with the New York firm of Mudge Rose Guthrie Alexander & Ferdon. Johnson graduated with honors from New York Law School in 1981, receiving an American Jurisprudence Award for constitutional law.

The Cooley Law School Center for Ethics, Service, and Professionalism invites you to attend the “Integrity in Our Communities” speaker series featuring respected judges, attorneys, and community leaders sharing their thoughts about ethics, professionalism, and community service.
